

MAYHEW Pro Ratcheting Hose Clamp Pliers

These hose clamp pliers feature a reinforced cable and unique pivoting jaw design.

The **Mayhew Tools Pro Ratcheting Hose Clamp Pliers**, No. 28680, feature a reinforced, flexible 5/64" cable; a pivoting jaw design to fit all hose clamps up to 2"; specialty bi-material hand grips with a snap feature for compact storage; and a ratchet lock with slide guide. Mayhew's pliers allow users to change the cable quickly, and the tool works on a wide range of hose clamps. If necessary, cable replacement is made easy. Replacement cables are available separately.

Application

Mayhew offers a hose clamp pliers that works on the widest range of hose clamps, is comfortable, easy to store and perhaps most importantly, is easy to maintain with the quickest cable change on the market, says the company.

Origin

These hose clamp pliers utilize a flexible cable with a precision machined clamp at the end to reach where other pliers cannot. The flexibility of the pliers enables the user to reach, remove and lock clamps into the open position. These pliers have been designed to make the job easier and more cost efficient.

Manufacturing specs

- Made in France.
- Lifetime warranty.
- Stamped metal.
